New Cable for Residents

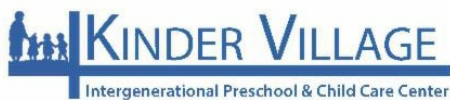

A new cable TV service is coming for residents on campus. It will be all HD, feature more channels, and have more reliable service. Families and residents will be made aware of this upgrade soon, so be on the lookout for more information!

Our Residents Will be Riding the Trishaw Bike this Fall!

In July, Episcopal Homes was awarded a grant from the Department of Human Services (DHS) to support the purchase of a Trishaw bike. With this grant, and support from staff and donors, our new bike will be arriving in the fall. Thank you!

The Trishaw bike offers a safe, active, fun experience for older adults who otherwise could not ride a bike. The rides offer a chance to socialize with the pilots, experience nature, and reduce loneliness and isolation among residents. And it just looks like fun!
